Tear Strength	Warp	400N
	Weft	300N
Tensile Strength	Warp	2600N / 50mm
	Weft	2400N / 50mm
Coating Adhesion	70N / 50mm	
Flex Cracking	400,000 Cycles	
Stock Colours	Black. Other colours are available upon request	

PVC is a good all round material used where an all purpose cover is needed. It is impermeable and therefore does not allow dust or moisture to penetrate.
